In case of an emergency please provide the name of the nearest relative or friend who will be able to make decisions regarding your pet's welfare if we are unable to reach either you or your spouse.

We will gladly prepare a written estimate if you desire (please ask the doctor, nurse, or receptionist). This will be important to you since **ALL PROFESSIONAL FEES ARE DUE AT THE TIME SERVICES ARE RENDERED**. We can assist you with credit forms from institutions which lend money –often at very low interest. Unfortunately, we are not financially able to loan money to our clients. For your convenience cash, check, Visa or MasterCard are accepted. Any balances not paid in full will be subject to a 50% collections fee (the outstanding balance will be multiplied by 1.5), and this new amount will be turned over to a Collections Service.

I authorize **North Idaho Animal Hospital** doctors and staff to provide Veterinary services / products up to and including anesthesia, surgery, and emergency care for my pet(s) from this day forward. In addition, I agree to pay all balances for service and products (as detailed above) immediately upon delivery.
